Joshua T. Myers, DDS

90 NW Glenhart Ave  
Winston, OR 97496

---

*Welcome!*

We are delighted to welcome you to our practice and are pleased that you chose our office to serve your dental needs. We will strive to do everything possible to provide you with the best care and the highest quality of service available. Before we get started, we would like to share with you our approach to service.

Preventative dentistry is our goal for every patient. It involves daily care, good nutrition, and periodic check-ups and cleanings that maintain good dental health. Preventative dentistry may not be where we start with every patient, but it is where we would like to finish. Our wish is for you to keep all of your teeth for all of your life.

Enclosed is our "New Patient Package". It includes the following:

- A federally required HIPAA Privacy notice and signature form
- A patient information/medical and dental health history form

Please complete these forms ahead of time and arrive 10 minutes early for your first appointment, allowing time for our staff to review your information.

In order to provide each patient with an excellent experience in our office, it is vital that you keep your scheduled appointments and arrive on time. If an event absolutely requires a cancellation, please give our office 48 hours' notice. This time is set aside especially for you and without sufficient notice it creates a significant void in our schedule which someone else could have used.

Always let us know if you have a question regarding your care and treatment. If you are truly pleased with your service, remember that the greatest compliment any of our patients could ever give us is to refer a friend or family member to our practice.

Once again, WELCOME! We do hope that your visits to our office will always be as pleasant as possible.

Thank you,

Dr. Myers and the Team
